

Notice of Upcoming Work at Twickenham Station

We are writing to update you on our works in September

10th Sep 2019

Forthcoming Disruptive Works – Extension of time

Further to previous correspondence, I am writing to provide you with an update on works to reinstate Mary's Terrace at the junction of Beauchamp Road to the original boundary wall alignment.

As works have progressed, we have encountered several challenges, mainly in relation to weather, design and materials.

Unfortunately, due to these issues, we are going to require an extension of time to the 24th Oct 2019. However, works have been suspended until the 12th Sep 2019, as we await design approval and materials. Apologies for the late notification, this is the soonest we were able to confirm dates.

Schedule of Works:

12th Sep to 16th Sep 2019 breaking out footing
16th Sep to 24th Oct 2019 breaking out footing and rebuild
Daytime Road Closures: 09:30 to 15:30

During this period, we will be reinstating the footing to the new wall and reinstating the wall with brickwork that will match the original and existing brickwork.

We apologise in advance for this disruption and we advise you to factor in the elevated noise levels within your plans during these periods. For help planning a journey, please visit www.nationalrail.co.uk

How to get in touch

Our site team operates an open-door policy. Alternatively, you can contact the project's Community Liaison Officer at community@twickenhamforward.com.

In case of emergency, you can contact our 24/7 manned hotline on 07971 125 180.

Copies of this and future updates can be found on the project website. You can also sign up to receive dedicated email updates about the progress made to date, and what's happening next, at: www.twickenhamforward.com

We apologise for any inconvenience caused and thank you in advance for your patience and understanding.

The site has been registered with the Considerate Constructors Scheme (CCS), which means that how we interact with our neighbours and operate our site will be regularly assessed independently.

More information on the CCS can be found on their website.
