

# Notice of Upcoming Work at Twickenham Station

We are writing to update you about our station works in April

10<sup>th</sup> April 2019

## Upcoming Works Update

Following our previous communication regarding the works at Twickenham Station, we are writing to update you that the station will be closed on the weekend of the 27<sup>th</sup>/28<sup>th</sup> April. We will be using this period to carryout the following activities.

- **27<sup>th</sup> / 28<sup>th</sup> April**

Installation of the new platform canopy steelwork and cladding to the rail elevation on Block B and Mary's Terrace boundary wall cladding.

To complete the work, it is necessary for us to carry out activities during a possession, when the station is closed and there are no trains running. During this time, we will be able to use the possession to safely access between platform 3 and 4/5 and lift in the elements described above.

The times for the possession are below:

- 01:20am Saturday 27<sup>th</sup> April 2019 to 4:20am Monday 29<sup>th</sup> April 2019

Preparation work will start at 22:00pm on the night prior to the possession and will finish at 06:00am on the Monday morning following site clearance and de-mobilisation.

This work will cause some noise disturbance. However we intend to reduce disruption by using site guard fencing with a layer of echo barriers and where possible certain disruptive activities will be undertaken during the daytime portions of the weekend. Noise monitoring will be in place to manage the works. We would like to thank you in advance for your patience, and apologies for any inconvenience caused.

## How to get in touch

Our site team operates an open-door policy. Alternatively, you can contact the project's Community Liaison Officer Rowan Cole on [community@twickenhamforward.com](mailto:community@twickenhamforward.com).

In case of emergency, you can contact our 24/7 manned hotline on 07971 125 180. Copies of this and future updates can be found on the project website. You can also sign up to receive dedicated email updates about the progress made to date, and what's happening next, at: [www.twickenhamforward.com](http://www.twickenhamforward.com)

The site has been registered with the Considerate Constructors Scheme (CCS), which means that how we interact with our neighbours and operate our site will be regularly assessed independently.
