

Week 33 Unattended Noise Monitoring Reports

Summary of Weekly Noise Data and Exceedances of Permissible Levels

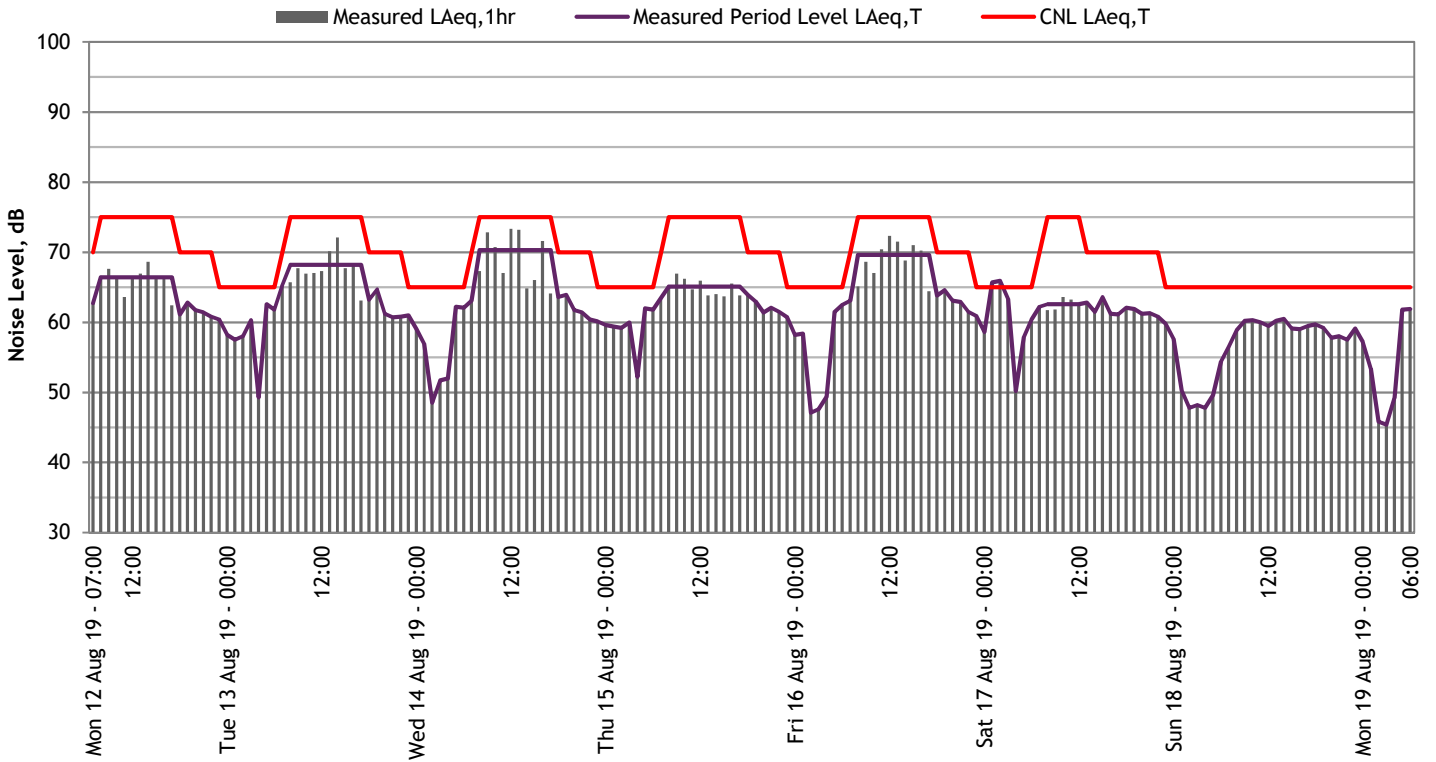

between 07:00 hours Monday 12 August 2019 and 07:00 hours Monday 19 August 2019

Notes

There were 2 exceedances of the construction noise limits during this week of monitoring at 16 Mary's Terrace on Saturday 17/08/19 between 01:00 and 03:00 hours, however these were due to engineering works from Network Rail. No exceedances were recorded at 2C Cole Park Road.

- Measured LAeq,1hr - Averaged noise levels over 1-hour period.
- Measured period LAeq,T - The line shown on the graph follows the averaged Leq level over the relevant assessment period (i.e. Monday 08:00-18:00hrs LAeq,10h, or Saturday 08:00-13:00hrs LAeq,5h). When an exceedance occurs, the noise level over a measured period goes above the Construction Noise Level (CNL) limit.
- Construction Noise Level (CNL) limits.
