

# Week 5 Unattended Noise Monitoring Reports

## Summary of Weekly Noise Data and Exceedances of Permissible Levels

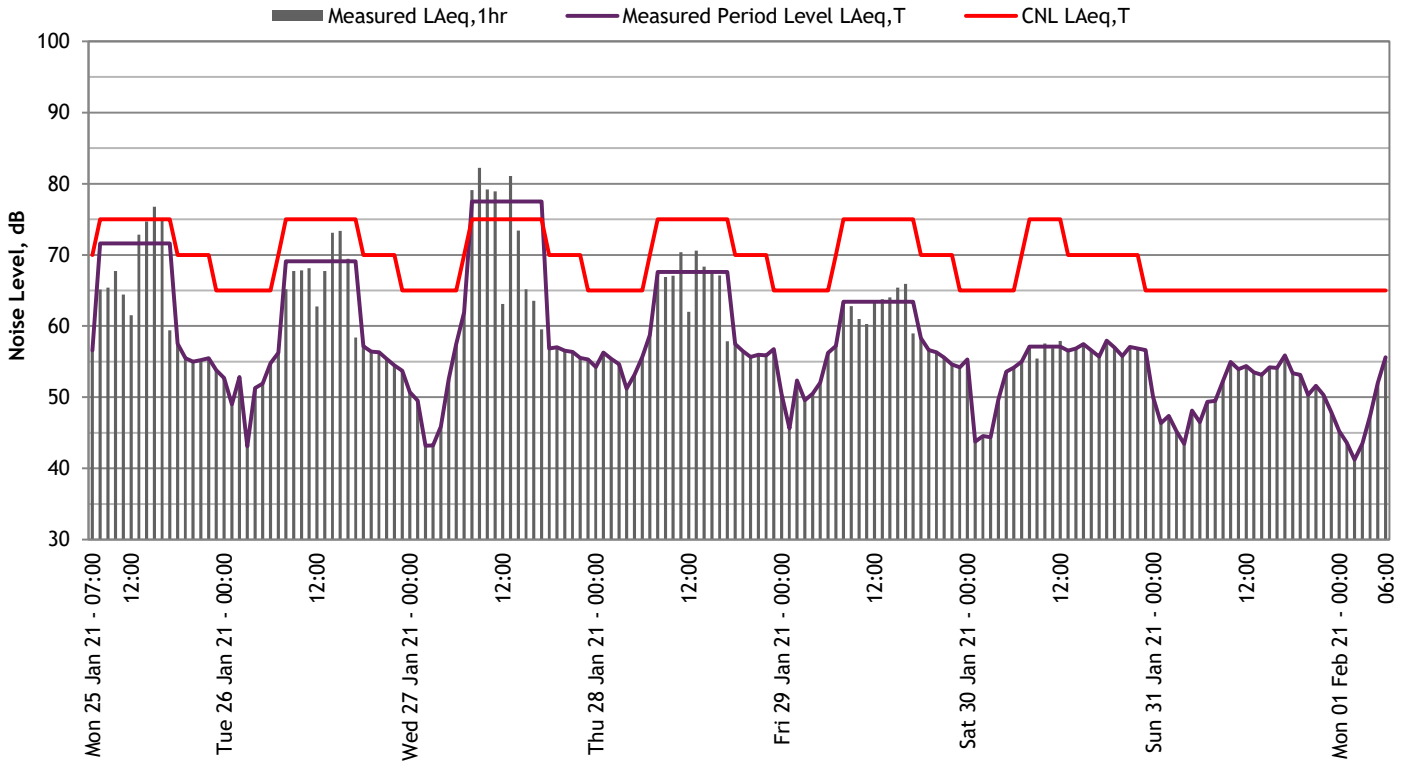

between 07:00 hours Monday 25 January 2021 and 07:00 hours Monday 01 February 2021

### Notes

There was 1 exceedance of the construction noise limits during this week of monitoring. This was due to site related activity.  
 There were 0 exceedances of the construction noise limits during this week of monitoring at Cole Park Road (site boundary).

- Measured LAeq,1hr - Averaged noise levels over 1-hour period.
- Measured period LAeq,T - The line shown on the graph follows the averaged Leq level over the relevant assessment period (i.e. Monday 08:00-18:00hrs LAeq,10h, or Saturday 08:00-13:00hrs LAeq,5h). When an exceedance occurs, the noise level over a measured period goes above the Construction Noise Level (CNL) limit.
- Construction Noise Level (CNL) limits.
