

# Notice of Upcoming Work at Twickenham Station

We are writing to update you on our works in November on the station platforms

20<sup>th</sup> Nov 2017

## Former Station Demolition Update

Following our previous update regarding unforeseen ground conditions in the Island platform at Twickenham Station, we are writing to update you that it has not been possible to complete the work outlined as planned, due to shortened possession times.

In order to complete these works, it is necessary for us to carry out activities at night using engineering hours. During this time, we will be able to use a line block to safely access between platform 3 and 4/5, without disrupting train services.

The following works will continue this week Monday through to Sunday night (22:00 - 05:00):

- Movement of material from the Island Platform using plant and equipment.

This work will cause some noise disturbance. Site guard fencing with a layer of echo barriers will be used to reduce disruption, and noise monitoring will be undertaken to manage the works.

We apologise in advance for any inconvenience caused.

## How to get in touch

Our site team operates an open-door policy. Alternatively, you can contact the project's Community Liaison Officer Rowan Cole on [community@twickenhamforward.com](mailto:community@twickenhamforward.com).

In case of emergency, you can contact our 24/7 manned hotline on 07971 125 180.

Copies of this and future updates can be found on the project website. You can also sign up to receive dedicated email updates about the progress made to date, and what's happening next, at: [www.twickenhamforward.com](http://www.twickenhamforward.com)

Thank you in advance for your patience, and apologies for any inconvenience caused.

The site has been registered with the Considerate Constructors Scheme (CCS), which means that how we interact with our neighbours and operate our site will be regularly assessed independently.

More information on the CCS can be found on their website:
