

# Notice of Upcoming Work at Twickenham Station

We are writing to update you on our works in May/June on the station

OSBORNE

11<sup>th</sup> May 2018

## Upcoming Works Update

Following our previous communication regarding the works at Twickenham Station, we are writing to update you that we will be carrying out the following activities:

- Overnight work between **Friday 25<sup>th</sup> May till Friday 8<sup>th</sup> June** will be carried out to install foundations, steelwork and platform work for the new podium stairs and lift shaft.
- The station will be closed on the weekends of the 9<sup>th</sup>/10<sup>th</sup> June, 17<sup>th</sup> /18<sup>th</sup> June and 1<sup>st</sup> /2<sup>nd</sup> July. We will be using this period to install Precast Concrete beams for the podium deck using the tower crane, under track crossing between platforms 3 and 4 and a new platform stair.

### Overnight Work

Overnight work will start on **Friday 25<sup>th</sup> May and take place every evening till Friday 8<sup>th</sup> June**. During this time, we will work without disrupting train and station operations and we will use a line block to safely access the space in between platforms.

Preparation work will start from 10pm every evening and once the last train has departed the line block will commence at 1am and enable us to work until 5am, before clearing the site and completing work at 6am.

### Weekend Work

To complete the work, it is necessary for us to carry out activities during a possession, when the station is closed and there are no trains running. During this time, we will be able to use the possession to safely access between platform 3 and 4/5 and lift in the elements described above.

During this period the station will have a bus replacement service which will be in operation and a lane closure on London Road bridge with a pedestrian diversion route in place.

The times for the possession are below:

- 01:20am Saturday 9<sup>th</sup> June 2018 to 4:20am Monday 11<sup>th</sup> June 2018
- 01:20am Sunday 17<sup>th</sup> June 2018 to 04:20am Monday 18<sup>th</sup> June 2018
- 01:20am Sunday 1<sup>st</sup> July 2018 to 04:20 Monday 2<sup>nd</sup> July 2018

Preparation work will commence at 22:00pm on the night prior to the possession and will cease at 06:00am on the Monday morning following site clearance and de-mobilisation.

This work will cause some noise disturbance. Site guard fencing with a layer of echo barriers will be used to reduce disruption, and noise monitoring will be in place to manage the works. Thank you in advance for your patience, and apologies for any inconvenience caused.

The site has been registered with the Considerate Constructors Scheme (CCS), which means that how we interact with our neighbours and operate our site will be regularly assessed independently.
