

# Notice of Upcoming Work at Twickenham Station

We are writing to update you on our works in July/August on the station

3<sup>rd</sup> July 2018

## Upcoming Works Update

Following our previous communication regarding the works at Twickenham Station, we are writing to update you that we will be carrying out the following activities:

- Overnight work between **Wednesday 18<sup>th</sup> July until Thursday 16<sup>th</sup> August** will be carried out to install steelwork for the new podium stairs, lift shaft and maintenance balcony as well as the rail elevation scaffold facade.

### Overnight Work

Overnight work will start on **Wednesday 18<sup>th</sup> July and take place every evening until Thursday 16<sup>th</sup> August**. During this time, we will work without disrupting train and station operations and we will use a line block to safely access the space in between platforms and lift in the steelwork over the railway lines.

Preparation work will start from 10pm every evening and once the last train has departed the line block will commence at 1am and enable us to work until 5am, before clearing the site and completing work at 6am.

This work will cause some noise disturbance. Site guard fencing with a layer of echo barriers will be used to reduce disruption, and noise monitoring will be in place to manage the works. Thank you in advance for your patience, and apologies for any inconvenience caused.

## How to get in touch

Our site team operates an open-door policy. Alternatively, you can contact the project's Community Liaison Officer Rowan Cole on [community@twickenhamforward.com](mailto:community@twickenhamforward.com).

In case of emergency, you can contact our 24/7 manned hotline on 07971 125 180. Copies of this and future updates can be found on the project website. You can also sign up to receive dedicated email updates about the progress made to date, and what's happening next, at: [www.twickenhamforward.com](http://www.twickenhamforward.com)

The site has been registered with the Considerate Constructors Scheme (CCS), which means that how we interact with our neighbours and operate our site will be regularly assessed independently. More information on the CCS can be found on their website: [www.ccscheme.org.uk](http://www.ccscheme.org.uk)
