

Notice of Upcoming Work at Twickenham Station

We are writing to update you on our works in September on the station

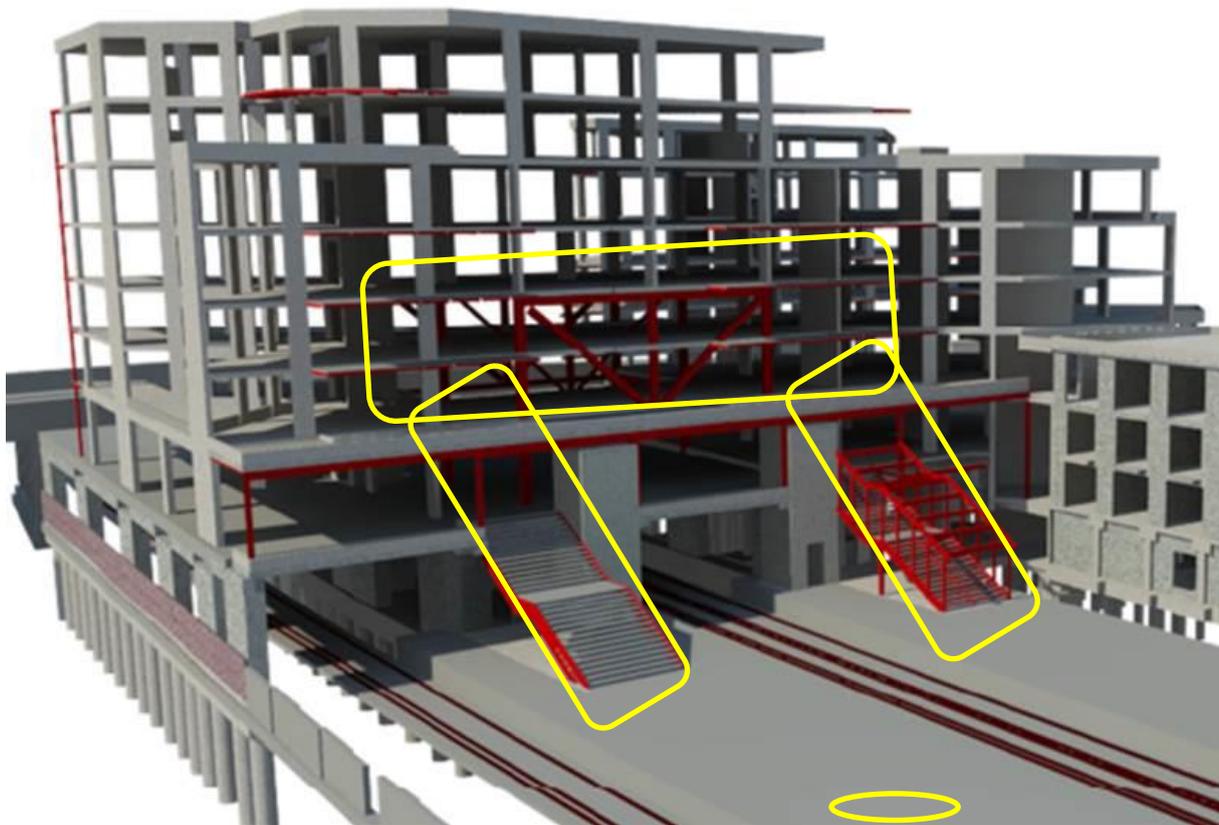

20th August 2018

Upcoming Works Update

Following our previous communication regarding the works at Twickenham Station, we are writing to update you that we will be carrying out the following activities:

- Overnight work between **Friday 7th September until Saturday 22nd September** will be carried out to install steelwork for the new podium stairs, maintenance balcony, alterations to the rail elevation scaffold façade including platform 4&5 foundation works to allow for the relocation of information screens. Please see indicative locations in yellow.

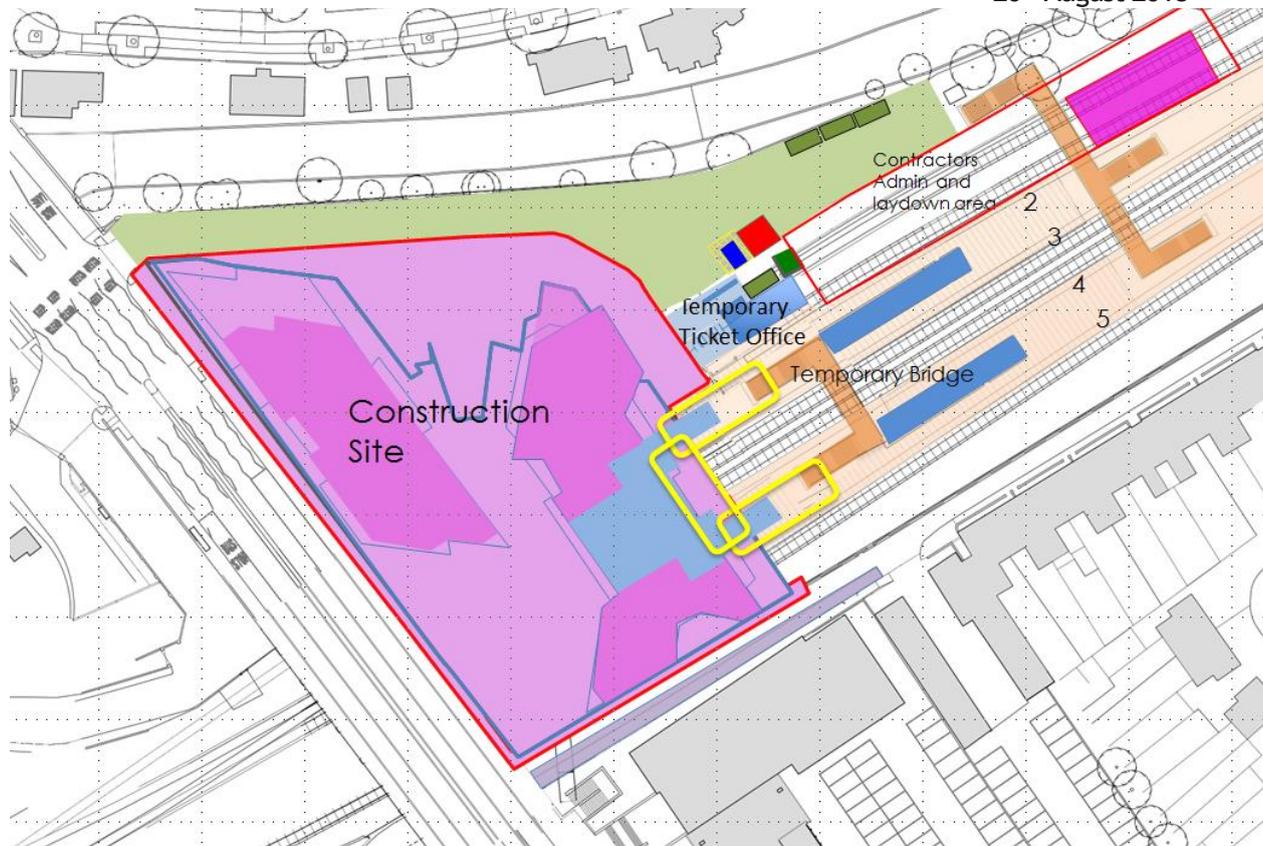

Overnight work will start on **Friday 7th September** and take place every evening until **Saturday 22nd September**. During this time, we will work without disrupting train and station operations and will use a line block to safely access the space in between platforms and lift in the steelwork over the railway lines.

Notice of Upcoming Work at Twickenham Station

We are writing to update you on our works in September on the station

20th August 2018

Preparation work will start from 10pm every evening and once the last train has departed the line block will commence at 1am and enable us to work until 5am, before clearing the site and completing work by 6am.

This work will involve the use of plant and equipment likely to create some noise disturbance. Fencing with a layer of echo barriers will be used to reduce the disturbance, and noise monitoring will be in place to manage the works. Thank you in advance for your patience, and apologies for any inconvenience caused.

How to get in touch

Our site team operates an open-door policy. Alternatively, you can contact the project's Community Liaison Officer Rowan Cole on community@twickenhamforward.com.

In case of emergency, you can contact our 24/7 manned hotline on 07971 125 180. Copies of this and future updates can be found on the project website. You can also sign up to receive dedicated email updates about the progress made to date, and what's happening next, at: www.twickenhamforward.com
