

Week 19 Unattended Noise Monitoring Reports

Summary of Weekly Noise Data and Exceedances of Permissible Levels

between 07:00 hours Monday 07 May 2018 and 07:00 hours Monday 14 May 2018

Notes

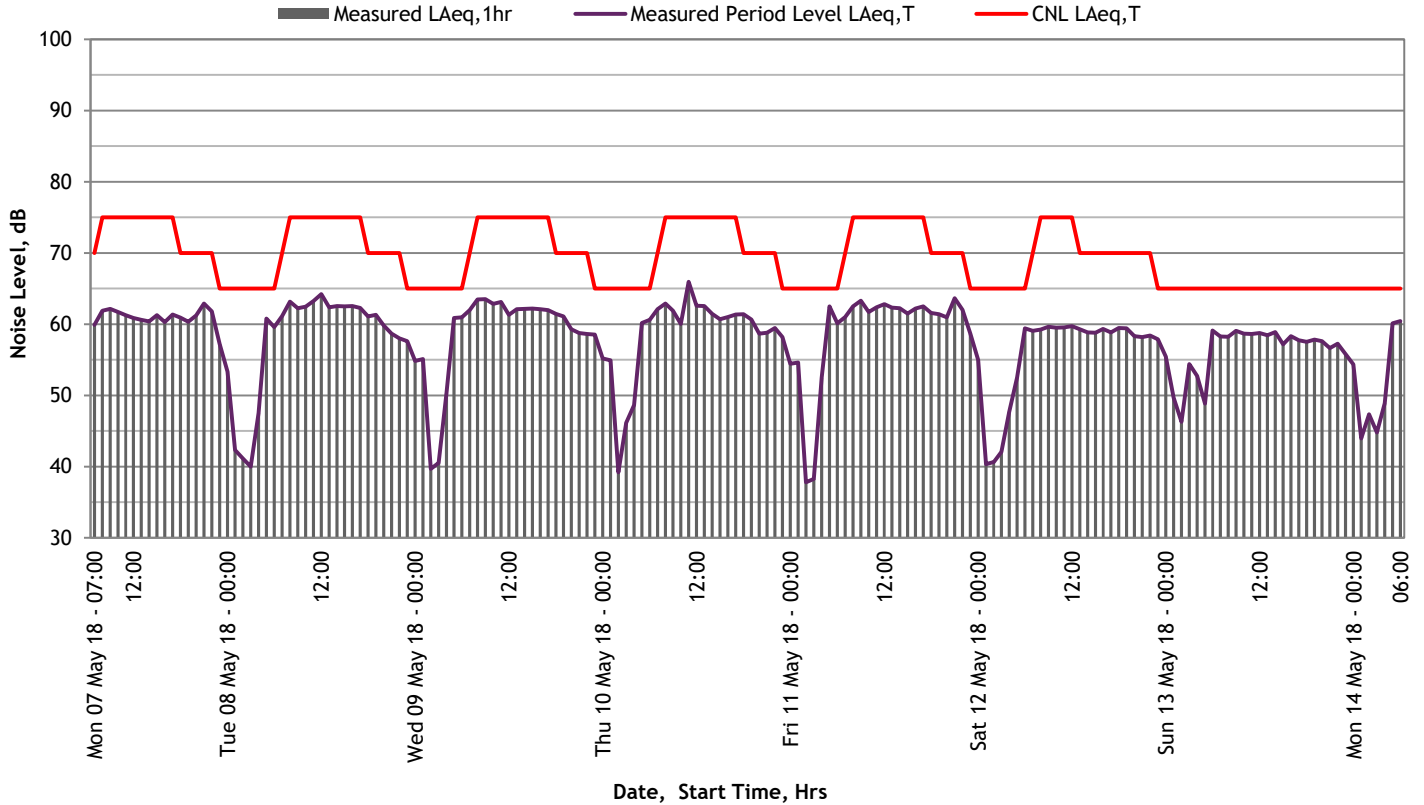

There was one exceedance during the week of monitoring, occurring at 2C Cole Park Road on Sunday 13th May, caused by a bird chirping.

— Measured LAeq,1hr - Averaged noise levels over 1-hour period.

— Measured period LAeq,T - The line shown on the graph follows the averaged Leq level over the relevant assessment period (i.e. Monday 08:00-18:00hrs LAeq,10h, or Saturday 08:00-13:00hrs LAeq,5h). When an exceedance occurs, the noise level over a measured period goes above the Construction Noise Level (CNL) limit.

— Construction Noise Level (CNL) limits.
